Fundraising Goals - 2016

A Big Thank You

To Everyone who has either attended or helped at one of our 2016 events this year, a huge shout of **Thank You.**

We are well on our way to achieving our fundraising goals for the year. At the end of May 2016 we've managed to achieve a total of \$8700 return from our widely successful fundraising activities.

The rains held off for the Movie Night and we received wonderful feedback. I am sure this will turn into an opening event on the school calendar each year.

To all the families who have paid their Voluntary Contribution to the P&C from the BOOKLIST, this has made significant headway towards our target.

Happy Mother's Day to all those wonderful Mums, Nanas & Special Ladies. We hoped you enjoyed your special gift. The children thoroughly enjoyed picking them especially for you.

The Canteen is running like clockwork due entirely to a dedicated team of coordinators and volunteers and it is a Wednesday special treat that is enjoyed by all. Before we know it this cold wet weather will be over and the kids will be enjoying a nice icy treat on a Chillin Tuesday afternoon.

The P&C have already made considerable contribution back to the school for the Reading Eggs Program and it is your children who are reaping the rewards.

To All Those Volunteers Who Make these things happen, your efforts are appreciated by all.

The Safety House Program

Are you interested and are you eligible to be a Safety House?

The P&C are happy to report that Mike Wright has been appointed the new coordinator for the Safety House Program. If you are already registered, Mike will be happy to address any queries you may have. If you are interested in getting involved for the first time, be sure to let Mike know. Please address any contact through the P&C email address pandc@goollelalps.wa.edu.au

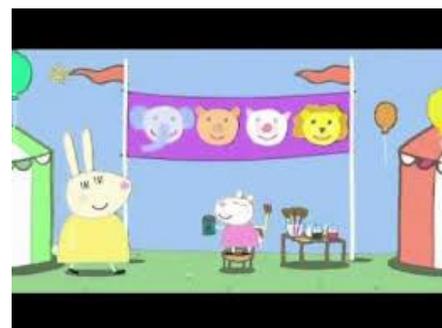

The Fun Run & Fete

Behind the scenes there is a HUGE event being planned for Sunday, 23rd October 2016.

For the second year running, The P&C will be holding a Fun Run and Fete at Legana Park.

Running on the success of last year, we are aiming for another notable event for the school and local community.

Your Class Reps will be calling for your help to run a successful stall at the Fete and your kids will be egging you on to dig out your joggers and join them in a lap around scenic Lake Goollelal. Keep an eye out for the Swamp Hen Birds and my favorite, the Kookaburra, along the path.

This year, with the School Board coming on beside us, we have a focus to improve the timing and registration process for the run in order to attract a wider interest from the running club market.

Spread the word, put up your hand to help where ever you can and come and have some fun.

As we get closer here are some stalls that will be making a call out for goods:

Secondhand Book Stall	Kindy	Collection Point + time to be advised
Mystery Jars	TA 3	Collection of Clean Jars with Lids starts term 3
Cake stall	TA 9	Register your baking pandc@goollelalps.wa.edu.au
