

Students

Communicate easily with teachers and other students.

Learn anywhere, anytime.

Access assessment data, marks and teacher feedback

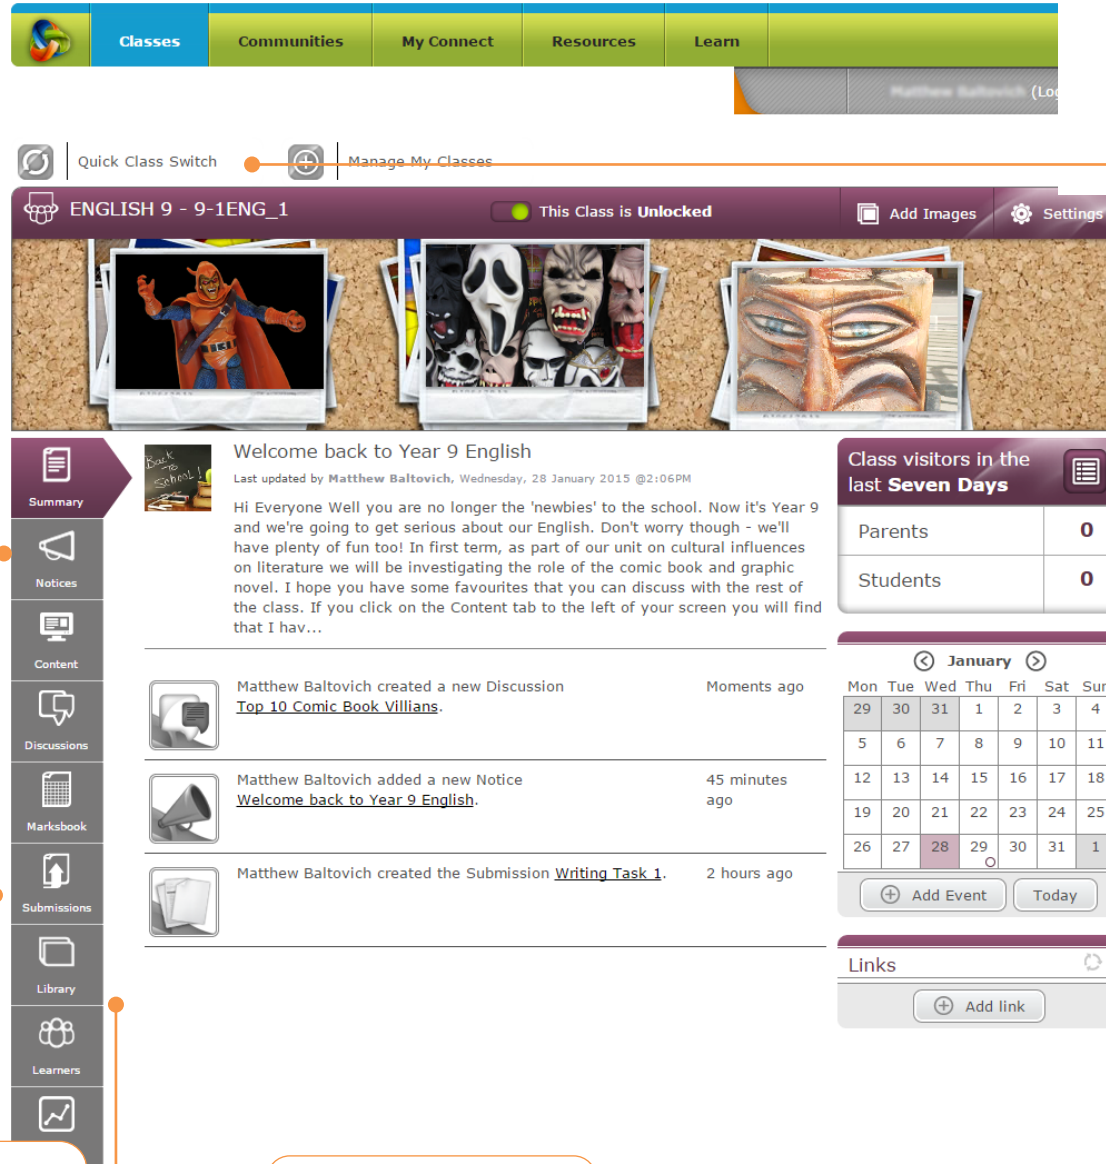

Engage with quality digital learning resources.

Log in to access Connect Classes containing notices, resources, learning content, assessment data, feedback and a calendar of events and class activities.

Notices
View class activities and interact with the class community.

Submissions
Access assessment task details and upload digital content for example documents, presentations and images.

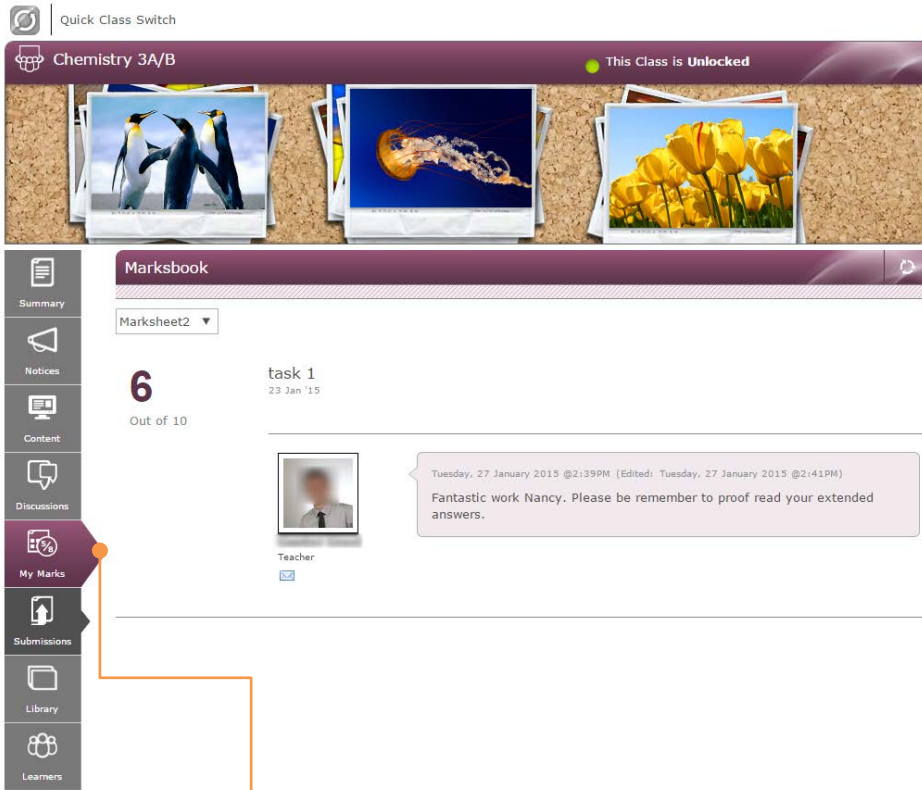

Library
Access resources provided by your teacher.

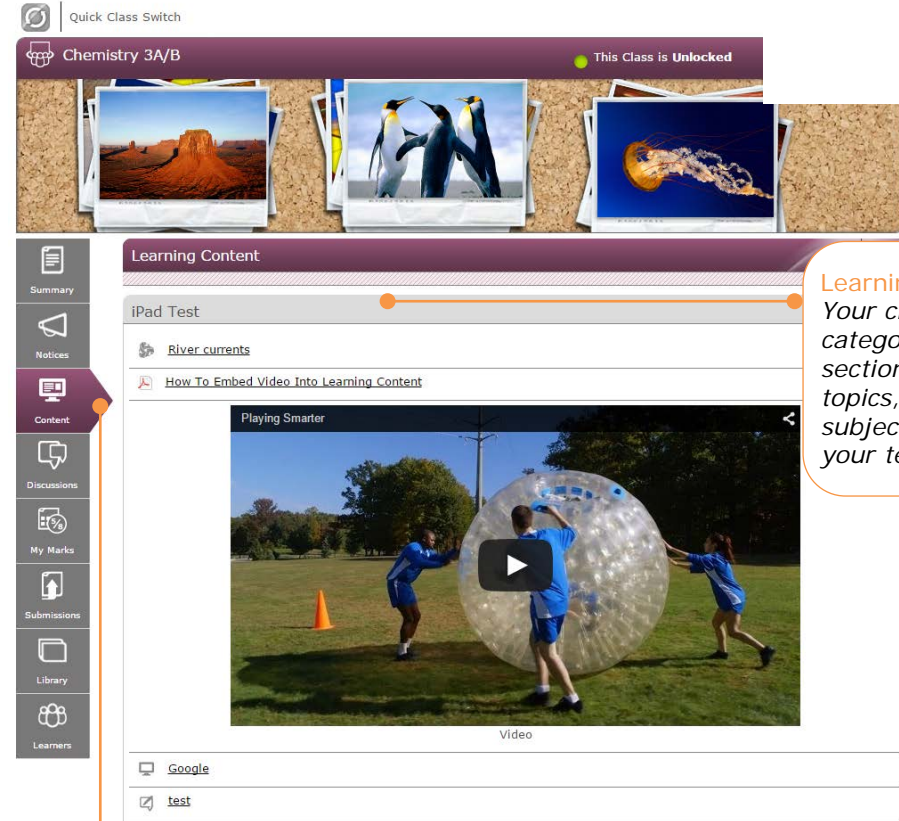

The screenshot shows the 'Class Summary' page for 'ENGLISH 9 - 9-1ENG_1'. At the top, there is a navigation bar with 'Classes', 'Communities', 'My Connect', 'Resources', and 'Learn'. Below this is a 'Quick Class Switch' and 'Manage My Classes' section. The main header includes 'ENGLISH 9 - 9-1ENG_1', a 'This Class is Unlocked' indicator, and 'Add Images' and 'Settings' buttons. The main content area features a corkboard background with three photos: a superhero, a group of masks, and a close-up of a face. Below the corkboard is a 'Welcome back to Year 9 English' notice from Matthew Baltovich, dated Wednesday, 28 January 2015. To the right of the notice is a 'Class visitors in the last Seven Days' table showing 0 parents and 0 students. Below the notice is a list of recent activities: a discussion 'Top 10 Comic Book Villians', a notice 'Welcome back to Year 9 English', and a submission 'Writing Task 1'. On the left side, there is a vertical navigation menu with icons for Summary, Notices, Content, Discussions, Marksbook, Submissions, Library, Learners, and a graph icon. At the bottom right, there is a 'Class Calendar' for January and a 'Links' section with an 'Add link' button.

Switch Classes
Jump to another class using the switch class feature.

Class Calendar
Stay up to date with class events and deadlines.

My Marks
View your marked work, assessments, and teacher comments about your progress.

Learning
Your class content is categorised into sections such as topics, file types or subject areas by your teacher

Content
Access Digital class work, home work and other resources provided by your teacher/s. Also submit work electronically to your teacher and participate with your peers in class discussions.
