

FEES AND CHARGES

Under the School Education Act 1999 we are required to report the processes of our school to the community. This involves outlining proposed contributions and charges for the coming school year two months prior to the commencement of the following year. Contributions and charges for 2017 can be found on the following page. There are two payments to be made, contributions plus charges.

CONTRIBUTIONS

The Department of Education Contributions, Charges and Fee Policy (September 2001) has set the maximum contribution by parents at \$60.00 per child from Kindergarten to Year 6. The Goollelal Primary School Board has approved the voluntary contribution for 2017 as \$60.00 per child.

CHARGES

The Contributions & Charges for 2017 can be found on the next page. Excluding the personal items list and the school photos parents are asked to pay the full amount below up front. If this is not possible please contact Marion, our Manager of Corporate Services at marion.coad@education.wa.edu.au or 9409 8432 for alternative options. The money needs to be paid online via direct credit to the Goollelal Primary School Account or placed in an envelope, provided at Reception, clearly labelled with your child's name and handed in at Administration. Please confirm any online direct credits to the school account by emailing Marion.
